Personal Data That You Provide Through the Services: We collect Personal Data from you when you voluntarily provide such information, such as when you contact us with inquiries, respond to one of our surveys, register for access to the Services or use certain Services. Wherever Spacein collects Personal Data we make an effort to provide a link to this Privacy Policy.

By voluntarily providing us with Personal Data, you are consenting to our use of it in accordance with this Privacy Policy. If you provide Personal Data to the Services, you acknowledge and agree that such Personal Data may be transferred from your current location to the offices and servers of Spacein and the authorized third parties referred to herein located in the United States.

Other Information:

Aggregated Personal Data: In an ongoing effort to better understand and serve the users of the Services, Spacein often conducts research on its customer demographics, interests and behavior based on the Personal Data and other information provided to us. This research may be compiled and analyzed on an aggregate basis, and Spacein may share this aggregate data with its affiliates, agents and business partners. This aggregate information does not identify you personally. Spacein may also disclose aggregated user statistics in order to describe our services to current and prospective business partners, and to other third parties for other lawful purposes.

Location Information: Our Service may collect and use your location information (for example, by using the GPS on your mobile device) to provide certain functionality of our Service. If you choose to enable our location features, your location information may be publicly displayed within the Service. Please keep in mind that other users can see this information about you, and they may use it or disclose it to other individuals or entities outside of our control and without your knowledge. Your location information may be subject to abuse, misuse, and monitoring by others, so please be careful if you choose to enable location functionality. We may also use your location information in an aggregate way, as described above in the “Aggregated Personal Data” section.

Our Use of Your Personal Data and Other Information:

Spacein uses the Personal Data you provide in a manner that is consistent with this Privacy Policy. If you provide Personal Data for a certain reason, we may use the Personal Data in connection with the reason for which it was provided. Spacein and its affiliates may use this information to contact you in the future to tell you about services we believe will be of interest to you. If we do so, each marketing communication we send you will contain instructions permitting you to "opt-out" of receiving future marketing communications. In addition, if at any time you wish not to receive any future marketing communications or you wish to have your name deleted from our mailing lists, please contact us as indicated below.

Our Disclosure of Your Personal Data and Other Information:
